  - Report on developments with the Kindred Clubs of New Zealand Rugby Union.

We are looking for a good turnout. Please come along and play your part in the smooth and effective running of our Club.

### President's message

Sadly we have recently lost our longest serving committee member, our staunchest member and our Patron. Bill Brien will be long remembered for his service to the Club, for his wit and frankness. He will be missed for his historical knowledge of the club and it is fortuitous that we have the book he wrote about the club to look back on. His loyalty and dedication to all areas he was involved in was so evident by the turnout at his funeral service. It has been an honour to have been an acquaintance of Bill's, an experience I personally will never forget. Our heartfelt wishes go out to Francie and family. We miss you Bill, you will be a hard act to follow.

### Club Captain reports

We are seeking games with secondary schools a little earlier this year which we hope will attract support from the WRFU in terms of contracted players being made available. A game against St Bernards in the weekend of 22/23 March is planned and we are also looking for games with HIBS, Scots College and Wainuiomata College. Further details to be advised as they become available.

### Annual luncheon

Our annual luncheon will be held on Friday 16 July 2010 which is the day before the All Blacks take on the Springboks in the Tri-Nations series at our Westpac stadium. This luncheon is proving more popular than ever and at this early stage very few tables remain available. If you would like to book a table and have not already done so it would be advisable to contact John Burrows as quickly as possible.

## New Members

We are pleased to announce Matt Fage and David Giannotti as new members of our Club. Welcome to you both and we look forward to your participation in our activities.
